By checking the following, I affirm that I have understood the items stated below:

- My current internet provider is _____
 - My internet application is for the following activities:
 - Browsing
 - Online gaming
 - Video streaming
 - Email
 - VOIP
 - Others _____
 - The number of concurrent users/work station/electronic gadgets that will access the service I will subscribe to:
 - 1 – 3
 - 4 – 7
 - 8 – 10
 - Others _____ (please specify)
 - The service will be used for:
 - RESIDENTIAL use
 - BUSINESS use
 - Others _____ (please specify)
- Note: home-based, online jobs/shops and internet cafes are considered businesses*
- Plan upgrades are allowed / downgrades are not permitted
 - 1 valid (not expired) IDs are mandatory requirements for your application
 - Email and mobile numbers are mandatory contact information
 - By accepting the Terms and Conditions for the use of Weavetech products and services, you agree to the collection, processing, use, and sharing of your Personal Information in accordance with the Data Privacy Act of 2012 that will enable us to provide you with your desired Weavetech products and services.
 - Router Transfer fee of Php 300.00
 - Average speed of 80% with minimum speed of 30% at 80% reliability.
 - We want to give all Weavetech customers a fair opportunity to enjoy our network. Hence, the implementation of a Fair Use Policy that's designed to reduce the speeds of users responsible for generating large volumes of traffic on the network, which greatly impacts the service we offer to other paying customers. Users (account for less than 3%) likely to be affected by the Fair Use Policy are those who use peer-to-peer applications to download large files, use their non-commercial subscription for commercial purposes, or stream videos heavily on a daily basis. These activities use up a huge portion of network bandwidth, affecting customers like you.
 - Speed tests are best conducted wired. There should be no concurrent users and activity running.
 - Wi-Fi coverage inside your house is affected by wall thickness, line of sight and distance to router (the closer the better)
 - Our Tech Support is 24/7
 - The modem sticker includes the basic troubleshooting guide and support contact information. Do not detach the sticker.
 - The router username and password will be provided upon activation of the account
 - To prevent configuration issues, do not attempt to move the equipment once it has been installed or change cable and port pairing
 - It is recommended to connect to an AVR to protect the circuitry of your modem
 - There is a lock-in/contract period. Pre-termination will be subject to payment of the remaining months:
 - 6 months
 - 12 months
 - 24 months
 - Application form terms and conditions apply (read details at the back of the contract/application)
